

## RESEARCH INTEREST

I am interested in all natural language processing and speech processing. In particular, I am enthusiastic about building efficient and robust speech recognition systems in low-resource and multilingual settings. Recently, I have also developed interest in understanding the intricacies of human-machine interactions towards building intelligent multimodal dialogue systems.

---

## EDUCATION

**MSc., Machine Intelligence**, Africa Institute of Mathematical Sciences (AIMS), Kigali, Rwanda Oct 2019 – **Mar 2021**

- Recipient of the Google and Meta (formerly Facebook) full scholarship to pursue the African Masters of Machine Intelligence programme at the Africa Institute of Mathematical Sciences (AIMS) in Kigali, Rwanda.
- Supervisor: Prof. Antonios Anastasopoulos
- Date of completion: **31/03/2021**
- **Comment:** completed (both course work and research project) just waiting for results.

**MSc., Information Technology Management**, Binary University, Puchong, Malaysia Apr 2013 – Oct 2014

- Specialization: **Information Technology**

**BSc., Computer Science**, University of Zambia, Lusaka, Zambia Apr 2007 – Aug 2011

- Specialization: **Computer Systems Engineering**
- 

## EXPERIENCE

**Lecturer**, Department of Computer Science, University of Zambia, Zambia May 2015 – **Present**

- Teaching Computer Science courses: Data Mining (clickable github course link: CSC 4792) and Database Systems (CSC 2702/CSC 3712)

**Instructor**, CISCO Academy, University of Zambia, Zambia Sep 2016 – Jun 2019

- Instructor of Python Programming, IT Essentials and Cisco Certified Network Associate (CCNA) Level 1 and Level 2 CISCO courses.

**Teaching Assistant**, Department of Computer Science, University of Zambia, Zambia Feb 2012 – May 2015

- Teaching assistant for Introduction to Databases course in the Department of Computer Science under the Staff Development Fellowship.
- 

## PERSONAL DEVELOPMENT

- **Mathematics for Machine Learning Specialization** by Imperial College London on Coursera Nov 2019  
Certificate of completion
  - **Deep Learning Specialization** by DeepLearningAI on Coursera Aug 2018  
Certificate of completion
  - **Machine Learning** by Stanford University on Coursera Jul 2018  
Certificate of completion
- 

## SELECTED PUBLICATIONS

- **C. Sikasote**, A. Anastasopoulos, *BembaSpeech: A Speech Recognition Corpus for the Bemba Language*, Proceedings of the AfricaNLP workshop at EACL, 2021.
- S. H. Chiwamba, J. Phiri, P. O.Y. Nkunika, **C. Sikasote**, M. M. Kabemba, M. N. Moonga, *Automated Fall Armyworm (*Spodoptera frugiperda*, J.E. Smith) Pheromone Trap Based on Machine Learning*, Journal of Computer Science 2019, 15 (12): 1759.1779

---

## AWARDS AND HONORS

- **Grant To Build Multimodal Datasets for the Bemba Language**, LacunaFund Apr 2021
- **African Master of Machine Intelligence Scholarship**, Kigali, Rwanda Sep 2019
- **Special Research Fellowship**, University of Zambia, Lusaka, Zambia Sep 2019
- **Zambia First Lady - Binary University Scholarship**, Binary University, Malaysia Apr 2013
- **Staff Development Fellowship**, University of Zambia, Lusaka, Zambia Feb 2012
- **Zambia Higher Education Scholarship**, University of Zambia, Lusaka, Zambia Apr 2007

---

## TECHNICAL SKILLS

- **Programming Languages:** Python
- **Database technologies:** MS SQL, MySQL
- **Operating System platforms:** Windows, Linux
- **Machine Learning libraries:** Scikit-learn, Pandas, NumPy, SciPy
- **Data Visualization tools:** Matplotlib, tSNE
- **Deep Learning frameworks:** Pytorch, Tensorflow
- **Speech Recognition Tools:** DeepSpeech, Wav2Vec

---

## DATASETS

- **BembaSpeech** : ASR corpus consisting of 24 hrs of read speech for the Bemba language spoken by over 30% of the population in Zambia.  
Link: <https://github.com/csikasote/BembaSpeech>
- **Multilingual ASR Corpus for African Languages** : Multilingual ASR corpus consisting of over 60 hours of read speech for 19 African languages. I contributed 2 hours of read speed for Bemba language.  
Link: <https://github.com/besacier/AMMICourse/tree/master/STUDENTS-RETURN>
